Regional airspace closures have caused disruptions to several Emirates Flights.

Emirates urges customers to check their flight status on **emirates.com** for the latest updates.

We are actively monitoring the situation, engaging with relevant authorities, and adjusting our operations in line with the latest developments. Emirates adheres to all regulatory requirements and follows guidance issued by aviation authorities.

We apologise to customers affected by disruption for any inconvenience caused, and we are assisting them with rebooking or alternative travel arrangements.

The safety and security of our passengers and crew remain our highest priority.

Customers who were supposed to travel on 2nd March 2026 on Emirates Flights are requested to stay at their hotels and do **not travel to the airport**.

Emirates will provide accommodation, lunch, dinner, and breakfast (no alcoholic drinks) for this night.

Grateful to send us the customer list staying at your premises on **MRUAPT@EMIRATES.COM**

All invoices to be sent directly through email on **mu.ap@emirates.com**

Further update will follow.
